

Dave's Blarg!

2011-Oct-30

Thanks to Danielle for sending out the pics from yesterday ☺ Today was pretty good, I started off late and did some computer phone support for my dad (yes, the files are *in* the computer) Then I picked up my friend Danielle in the engineering building. Some of the odd sights about engineering make me miss school, like this one. This fella (let's be honest) is probably tired from

partying too hard, but he still came in on a Sunday to take a crack at some work. His heart's in the right place, even if it's sleeping ☺ After that Danielle and I went out and got some frozen yogurt, there's this awesome place in

town that lets you put whatever you want on your yogurt and just pay by the (many) pound(s). The Corvallis Yogurt Extreme outlets are singlehandedly responsible for like a 6-month weight loss plateau :p (It's all their fault and has nothing to do with a lack of self control on my part, I swear!)

Mmmmmm, Calories ☺ My favorite ☺

After that it was **Party Time!!!**

I'm the "I got attacked by fabric" monster

I was short one costume, but it was nothing that a quick trip to jo-anns couldn't fix (thanks for teaching me to sew mom!) ☺ My first attempt at a costume came out looking a bit like a color impaired Jedi, but a few minutes of cutting and sewing later I was on the road! My friend Marco and I were Pirate Kings!!

I was using my t-shirt as a pattern...

Which was apparently very scary...

Hurry, Sew!

Giving the brain cells a break...

Pirate Kings! WooWoooo!!!!

Arrrrr Matey!!

All the usual suspects with their pyratey claws :D

Eric looked a little odd carrying the lamp around all evening, but the costume played. Hai-Yue was Captain Olimar and Kathy and Jessica were his Pikmin. Penny was develish (that pic is with the red-eye reduction turned on!) and James was rocking the classis no-costume costume ☺ (Its hard to see, but Craig was a rocker)

After I got home Matt and I took a crack at restoring my old dead iPod, to no avail sadly ☹

These are the guys that Kathy, Hai-Yue, and Jessica were. Those costumes turned out pretty well ☺

Well that's about it for today ☺
Don't forget to include pictures to everyone who is writing back!
You guys are awesome! ☺

I might just have to change this to Pennys blog if she keeps showing up like this ☺

Until Tomorrow!
